The Briton and the Dane: Birthright

Price: \$0.99

Author: Mary Ann Bernal

Genre:

Action / Adventure

Historical

Romance

Young Adult

Description:

It was a time before chivalry, before knighthood, before the birth of the great Bard. It was long after the Legions of glorious Rome left Britannia to the Barbarian hordes and Hadrian's Wall no longer divided the island that a great King sought to unite the Anglo-Saxon Kingdoms of England.

Travel back in time to Ninth Century Anglo-Saxon Britain and the reign of Alfred the Great who successfully repelled the Viking threat and drove the formidable Danish King Guthrum out of his Kingdom of Wessex.

Journey throughout Britannia where Lord Richard and his children risk their lives in the service of their King; where treachery and treason threaten the uneasy peace; where the outcome of one battle determines the course of history.
