

The Briton and the Dane: Legacy

Price: \$0.99

Author: Bernal, Mary Ann

Genre:

Action / Adventure

Historical

Romance

Description:

It was a time before England's Golden Age; before Chaucer's poetic tales; before the revered Lionheart took the Crusader Cross; before the legend of Robin Hood. It was after the invading Germanic tribes settled the land and petty chieftains vied for supreme sovereignty that a great King sought to unify the British nation.

Travel back in time to Dark Age Britannia and the turbulent reign of Alfred the Great who successfully prevented the Great Heathen Army from conquering his beloved Kingdom of Wessex.

Journey throughout a war-ravaged country where Lord Richard and his offspring swear allegiance to a visionary King; where a cultural renaissance, not seen since the rule of Charlemagne, defies the savagery of Barbarian raids; where a decisive sea battle establishes naval supremacy.
